Transport conditions

Transmission of personal data:

For transport to Turkey, customs documents must be issued in advance, the so-called A.T.A. Carnet. To do this, all relevant data must be submitted by the deadline mentioned above. If the data is not submitted by this date, the transport will be canceled. In this case, the booked services will **not be reimbursed!**

The following information is required for the motorcycle:

- Manufacture - Typ - Chassis No – Weight
z.B. KTM - EXC 300 – 2022 – VBKEX45938592525 - 115kg

If you would like to give a bag with your driving clothing, the exact contents of the bag must be stated. The description, number of pieces, weight and current value must match!

Here's an example:

If this information does not match, significant problems can arise when crossing the border. If discrepancies or incorrect information are discovered during an inspection, all incorrectly declared goods will be sorted out!

Due to Turkish customs regulations, no liquids or spare parts are allowed to be carried in the bag.

Motorcycle delivery:

The motorcycle must be delivered to us by the above date! This is absolutely necessary because the entire load is inspected and cleared at the local customs office before departure must become. If delivery is not possible, optional pick up is possible for a fee.

Prices depend on the distance from our location.

green area up to 250km:

- 50€ per motorcycle

Orange area up to 500 km:

- 100€ per motorcycle

A minimum of 3 people is required at all pickup locations! Please contact us in good time to arrange a possible pickup.

On the way back from Turkey, the motorcycles can be unloaded along our route, as another check at the local customs office is not necessary.
